HOTELS CRIPPLED

Employees of Chicago Establishments Strike.

TWENTY-FIVE ARE AFFECTED
Demand Made For Higher Wages. Shorter Hours and Recognition of Union—Proprietors Will Arbitrate—Gompers Sent For.

Chicago, June 13.—The strike in the hotels of Chicago, impending for the last three weeks, materialized Friday and twenty-five of the leading hotels of Chicago are badly crippled in all departments. All the hotels are running, however, and the proprietors declare that the establishments will remain open for business at any cost.

The first call to the employees of the hotels to go on strike was made by the walking delegates at 9 o'clock in the morning, and all day the delegates visited the different hotels represented in the Hotelkeepers' association and called out the help. In several places the walking delegates were refused admission and were compelled to signal the employees from the outside.

A complete list of hotels in which the employees have left follows:

Auditorium, Auditorium Annex, Palmer House, Sherman House, Grand Pacific, Stratford, Briggs House, Kaiser House, Bismarck, Thompson's, Victoria, Wellington, Lakota, Chicago Beach, Del Prado, Vendome, Hyde Park, Windemere, Metropole, Holland, Kenwood, Great Northern, Virginia, Brevort, Union.

The Lexington Hotel signed the scale presented by the union five minutes after the help had been called out.

There is every indication that the strike will be hard fought before one side or the other shall give in.

The proprietors have agreed to submit nearly every point at issue to arbitration, but to this the unions will not consent.

They insist that their demands for higher wages and shorter hours must be granted before they will arbitrate anything and insist also upon the absolute recognition of the union. To this latter demand the proprietors say they will never agree so long as the strikers maintain their present attitude. The proprietors have expressed a willingness to arbitrate this proposition also, but the men will not recede from their position. The unions also demand that the members of the Hotelkeepers' association come to the officers of the employees' organization as individuals and not as members of any association.

The strikers made efforts yesterday

THE TIME WILL COME
When the Advice of This Alma Resident Will Help You.

Very few people are entirely free from backache. It does not take much to derange the kidneys. A little cold, a strain, stooping positions or hard work, overtaxes these delicate organs, and many aches and pains promptly follow. An Alma citizen tells you here how every kidney ill can be relieved and cured. Read about it:

Mrs. Catherine Sipe, living near the Sugar Factory, says: "I have been troubled more or less with my kidneys for four or five years. My back bothered me a great deal all last winter and spring. I was so I could not do any sewing, for I could sit only a few minutes in one position at a time. I did not rest comfortably at night and if I made a sudden move sharp twinges caught me across the small of the back. I took a good many remedies, but never found one that acted so effectively as Doan's Kidney Pills, procured at Bivins & Rhodes' drug store. I was cured before I finished the box. I gave the balance to one of my neighbors, who was also benefited. I am getting pretty old—75 years—but since I used Doan's Kidney Pills I feel like a young person. I can do a pretty good day's work yet. I have told lots of people about Doan's Kidney Pills. They are the finest medicine ever used."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Revolution Imminent.

Electric Bitters is only 50c, and that is returned if it doesn't give satisfaction. Guaranteed by Sharrar & Mulholland, druggists.

BIG HOTEL IS FIRED

Feudalists in Kentucky Resorting to Arson.

OWNED BY WITNESS EWIN
One of Principal Figures Appearing Against Jett and White—He Was Offered \$5,000 to Repudiate His Testimony—He Fears Assassination.

Jackson, Ky., June 15.—The City hotel, a large three-story building owned by Captain B. J. Ewen, the principal witness against Jett and White, now on trial for the assassination of Lawyer J. B. Marcum, was burned to the ground early Sunday morning. Fifteen guests were in the hotel, but all escaped without injury.

The burning of the hotel is not only considered as incendiary, but also as accessory to other acts of intimidation in connection with the pending trial of those accused of the murder of J. B. Marcum. It has openly been predicted that arson would go along with assassination, as disciplinary measures might be needed in Breathitt county. The burning of Ewen's property not only has caused renewed fear for both life and property, but also has increased the general doubt of conviction of either of the prisoners.

Ewen's House Guarded.

Captain B. J. Ewen testified that he saw Jett as he advanced with pistol in hand to fire the last shot into Marcum's prostrate body, as it lay in the courthouse doorway. His house had been under the guard of soldiers for several weeks and as a more stringent precaution against assassination he slept in camp at the provost marshal's headquarters.

Several days ago a man visited him at his home and made him a proposition that, if he would repudiate what he had related on the witness stand, saying that he testified to what was not true, because of the excitement which he was under, he would be given \$5,000 by a certain prominent citizen and that if he did not accept this offer he would be assassinated.

He encouraged his visitor to return in the afternoon and stationed two witnesses in a closet, who overheard a repetition of the proposition and the threat, which was accompanied by the tender of five one-thousand dollar notes.

Three men reported having seen Joe Crawford and Ed Thap, wagoners for the Hargis brothers, come across the bridge and return just before the blaze was discovered, and Major Allen ordered these men arrested. They were taken into the military camp by the soldiers and manacled in the guard house.

Kansas City Needs More Aid.
Kansas City, Mo., June 13.—Kansas City, Kan., is still sorely in need of aid for its flood sufferers. A second urgent appeal to the country at large has been issued by the relief committee of that city, which says that local charity is totally inadequate to meet the situation. Outside assistance is imperative. At least 23,000 souls out of a population of 60,000 in the entire city are homeless and dependent. Hundreds of their homes have been swept away and those that remain have been left with a deposit of filth, both inside and out, of from one to three feet in depth. In most instances persons were able to save only the clothing they wore.

Cooling a Hot Iron.
The small girl had been told not to put her foot flat on the stove, as it would become too hot. She insisted that she must have a hot iron, however; for how else could she make her doll's clothes look nice? But when the iron was given to her she found its warmth more than she bargained for. She said nothing to her mother, but quietly taking up the iron she toddled out to the refrigerator and deposited it there, and when her mother asked for an explanation she said: "I thought I'd cool it off."

Ten Years in Jackson.
Detroit, Mich., June 15.—Joseph Dams, the 17-year-old boy who brutally attacked Mrs. Julia Ellis with an ax at her home near Dearborn in May, was sentenced Saturday by Judge Frazer to ten years in Jackson prison.

Souvenirs of Masonic Temple.
Bay City, Mich., June 15.—The sheet copper from the roof of the burned Masonic temple is to be made into souvenirs by the Temple association and sold to Masons throughout the country.

Michigan Postmasters.
Washington, D. C., June 15.—Huber, Newaygo county, Ben F. Beach, vice John H. Koopmans, resigned; Pawnee, Iowa county, Fred D. Keister, vice Eugene Randolph, dead.

El Paso in Danger.
El Paso, Tex., June 15.—The flood condition is serious here. The river continues to rise and the water is striking the levee with great force. Below the city the river tore through all obstructions and entered its old channel, which was abandoned when the cut off was built three years ago to guard against further overflow. Late last evening the chief of police received a telephone message from White Spur, eight miles above town, stating that the river had got behind the levee and formed a lake five miles square and quite deep. This threatens to sweep away the levee and come down upon El Paso with a rush.

Horseman Fatally Injured.
Chicago, June 15.—In a quarrel with one of his stable hands at the Harlem race track early Sunday, Sidney S. Bender, a well-known horse owner, was struck with a pitchfork and so badly injured that he may die. The steel part of the handle of the fork crushed his skull. His assailant was arrested.

It's a mistake to imagine that itching piles can't be cured; a mistake to suffer a day longer than you can help. Doan's Ointment brings instant relief and permanent cure. At any drug store, 50 cents.

A Costly Mistake.

Blunders are sometimes very expensive. Occasionally life itself is the price of a mistake, but you'll never be wrong if you take Dr. King's New Life Pills for dyspepsia, dizziness, headache, liver or bowel troubles. They are gentle yet thorough. 25c at Sharrar & Mulholland's drug store.

Rather Gave Him Away.

Fond Father (showing off his offspring's intelligence)—Now, Elsie dear, what is a cat?
Elsie—Dunno.
Fond Father—Well, what's that funny little animal that comes creeping up the stairs when every one's in bed?
Elsie (promptly)—Papa.

Not the Donkey He Wanted.

"I see you advertise for a donkey," said the man who looked as if he had something for sale.
"Oh, yes," said the busy man, stopping his work for a minute to look up, "but I want one with four legs."—Boston Journal.

Revenge.

"That fat man," complained the scowls, "simply knocked me all out of kilter."
"Well," replied the candy machine near by, "now you can lie in wait for the next one that comes along."—Philadelphia Press.
